SACHIN JADHAV

SENIOR WEB DESIGNER

📱 **PHONE**
+91 9890122027

✉ **EMAIL**
sachin123jadhav@gmail.com

Web Developer with over 15 years of experience crafting dynamic, visually engaging, and user-friendly websites. Expertise spans a diverse range of technologies, including **HTML, CSS, JavaScript, React,** and **SASS,** as well as platforms like **WordPress, Shopify, Ghost, OpenCart,** and tools such as **Photoshop** and **Figma**. Adept at transforming concepts into functional and responsive designs, with a commitment to delivering innovative web solutions while staying ahead of emerging industry trends.
WORK EXPERIENCE

● **Metamind Solutions Pvt. Ltd.**

Senior Web Designer   July 2023 - Current

Roles and Responsibilities

- **Led and managed cross-functional design and development teams** to deliver high-quality, user-centric digital products aligned with business objectives.
- **Designed and implemented end-to-end UI/UX solutions** for enterprise products like HRMS and Document Management Systems, including custom workflows, dynamic forms, and access control features.
- **Created wireframes, interactive prototypes, and high-fidelity UI designs** using **Figma, Photoshop,** and **Canva**, ensuring intuitive navigation and consistent visual design.
- **Collaborated with stakeholders and product owners** to translate complex requirements into seamless user experiences, improving usability and efficiency.
- **Directed front-end development efforts** using **React, WordPress, HTML, CSS,** and **Tailwind**, delivering responsive, scalable, and performance-optimized interfaces.
- **Provided mentorship and performance feedback** to design and development teams, fostering collaboration and continuous improvement.
- **Identified and resolved project bottlenecks,** optimizing delivery timelines and ensuring design quality across all releases.
